Fellow Members,

On September 27th, at our general membership meeting, the candidates for County Executive and Freeholder addressed our membership and answered questions from the audience. The union sent out a survey to gauge the membership's wishes concerning candidate endorsements. The results were the following:

County Executive

James Tedesco	75.75%
Norman Schmelz	15.15%
Do Not Endorse	9.1%

Freeholders

Tracy Zur	39.39%
Steve Tanelli	39.39%
Hector Olmo	9.1%
Eric Kulmala	7.6%
Do Not Endorse	4.5%

*5 submissions disqualified for not voting or voting to endorse and not endorse

Based on this survey, USWU Local #755 will endorse County Executive Jim Tedesco and Freeholders Tracy Zur and Steve Tanelli in their bids for reelection. I would like to thank the candidates from both sides for having the respect for our membership to address us, answer our questions and participate in this process. Thank you to all of our members who completed the survey and took part in this democratic process.

In Solidarity,

Joe Gautier
President
